6	<p>Matters Arising</p> <p>At the last meeting it was stated that a planning application had to be started before 5 years had elapsed, or a new application had to be made. The time limit was now 3 years not 5. FC sated that this was incorrectly quoted as the 3 year limit only applied to this planning application at Laughton manor. Normally the time limit is 5 years.</p>	
7	<p>Planning</p> <p>JL said he had received notification of the decision by the recent Planning Committee meeting at SKDC stating that Mr Hills retrospective planning application had been refused. BW asked Mr Hill if he was going to appeal to which Mr hill said no decision had been made yet. It was noted from the decision paperwork that “no comments had been received from Aslackby PC”, both JL and BW said that this was untrue as comments had been sent.</p> <p>Notification had also been received that Miss R Stevenson’s application had been accepted on appeal but with slight alterations. RS said they may appeal this to get it re-instated to the original size satiated on the planning application.</p> <p>There had been no additional planning applications made.</p>

10	<p>Highways</p> <p>The potholes on Temple Road near the factory had been reported again, but still nothing had been done yet to repair them. JL has contacted County Councillor M Hill who said he would look in to it but no response had yet been received. He stated that this was now urgent as one member of staff at the factory had a leg in plaster and another had received extensive damage to his vehicle. Both will be contacting LCC for compensation. BW said he had also tried to report the ones on road to Low Park again this week but had dealt with a very unhelpful person on the phone and had not been given an incident number.</p> <p>BH said that the pot hole on Kirkby underwood Road was now quite large, JL will report this.</p> <p>JL has still not received a response re the maintenance of Footpath No4. MH was not available to give an update as to whether he had received a response so will be picked up at the next meeting that Mr hill attends.</p> <p>The broken street light has now been repaired.</p> <p>BH asked FC if she knew the impact of having the street lights turned off in Morton. FC said she had no information.</p>	JL
11	<p>Finance</p> <p>JL said the current balance in the Current Account was £1994.79.</p> <p>The final invoice had been received from BDG Mowing for £170.00 which JL had already paid. JL said he had also received a quote from BDG for next year. The price will be the same as this year, £85 per cut. It was agreed that we will continue to use BDG next year. Proposed by RS and seconded by BH. JL will contact BDG and inform them of the decision.</p> <p>The recent skip was again a success and JL had paid the invoice of £232.00.</p> <p>JL has received a bill from L Fisher for Cemetery maintenance for £690.00. This has been paid.</p> <p>JL has also received the Precept forms for next year. It was agreed to discuss these at the next meeting but the proposal was to increase it by £100.</p>	JL

FC had turned down her pay rise and said that she was disgusted that the leader and deputy leader had voted themselves such a large increase in the current economical climate.</p>	
14	<p>Lincolnshire County Council Update</p> <p>No one was available from LCC for an update.</p>	
15	<p>A.O.B</p> <p>Defibrillator – Training had been delivered and had been a resounding success.</p> <p>JL said he had received numerous emails from Mr Price re obtaining copies of previous PC Minutes. JL said he had given him the link but was still being asked to provide them. He asked the PC if he was correct to advise Mr Price he could be of no further assistance to which they all said he was.</p> <p>Mr hill said he was a member of the CCG and asked if the PC would like to ask them if they were able to provide CPR training as a follow on from the Defibrillator training. All agreed that this would be a good idea.</p> <p>BW said the meeting dates so far for 2018 are 19th February 2018, 09th April 2018 and 24th May 2017 which will be the AGM.</p>
