	<p>JL had received the paperwork from Lincolnshire Highways re the Parish Agreement with regards grass cutting but this raised a number of queries. JL also to seek clarification as to how much we will receive from LCC for doing the extra work. JL to report back at the next meeting.</p> <p>JL had received a quote from BDG Mowing Contractors for the additional work required next year. The new cost would be £100 per cut instead of £85.</p> <p>JL had received an email requesting information on the pot hole repairs throughout the year following damage to his vehicle. JL said he had provided the information requested.</p> <p>PM1 said that the Crossroad sign as you came from Bourne was obstructed by the hedge at SL Engineering. It was agreed to defer thee until the meeting in January. This is because there will be no Grant received from SKDC next year and also information was required re any impact on raising Indemnity Insurance for grass cutting, both of which will have an impact on how much the Precept may need to be raised by.</p>	
12	<p>Correspondence</p> <p>JL went through correspondence received.</p> <p>A letter had been received asking if the PCC would sponsor 2 Scouts for a trip next year. As they did not live in the village and they had received some sponsorship from their own Parish it was decided that no funding could be given.</p> <p>Information had been received from LALC re a new Emergency Text Alert System. It was decided that it was not relevant so the PC would not be joining the scheme.</p> <p>An Invite had been received from the Co-Op who were looking to sponsor a local scheme next year. BW said he would look in to this as he was involved with a number of Charitable enterprises within the village.</p>
